

	Written Analysis and Calculations	Mechanics and Conventions
	<i>The extent to which the graphic organizers and explanations fully develop ideas, utilizing specific and relevant facts, descriptions, discussions, explanations, and data</i>	<i>The extent to which the written analysis of the model demonstrates knowledge of grammar and conventions, including vocabulary usage, punctuation, and spelling</i>
<b>Weight</b>	90	10
<b>6</b>	<b>Very Effective</b> Includes accurate graphic organizers and explanations; answers all questions completely; shows strong content knowledge and reasoning in all components and ideas	<b>Very Effective</b> Contains few or no errors in grammar, vocabulary, spelling, and punctuation
<b>5</b>	<b>Good</b> Includes accurate graphic organizers and explanations; shows appropriate content knowledge and reasoning in all but one or two components	<b>Good</b> Contains a few errors in grammar, vocabulary, spelling, or punctuation that do not interfere with ideas and meaning
<b>4</b>	<b>Adequate</b> Includes accurate graphic organizers and explanations; shows appropriate content knowledge and reasoning in most components	<b>Adequate</b> Contains some errors in grammar, vocabulary, spelling, or punctuation that do not significantly interfere with ideas and meaning
<b>3</b>	<b>Limited</b> Includes graphic organizers and explanations, but one or two are missing or inaccurate; shows limited content knowledge	<b>Limited</b> Contains several significant errors in grammar, vocabulary, spelling, or punctuation that occasionally interfere with ideas and meaning
<b>2</b>	<b>Minimal</b> Is missing several components; has incomplete questions; shows minimal content knowledge	<b>Minimal</b> Contains many significant errors in grammar, vocabulary, spelling, or punctuation that substantially interfere with ideas and meaning
<b>1</b>	<b>Inadequate</b> Is missing several components; fails to develop and connect ideas; needs significant work on the questions	<b>Inadequate</b> Contains considerable errors in grammar, vocabulary, spelling, or punctuation that make understanding ideas difficult
