Blueprint for Success

- Be prompt to class, and work from bell to bell.

- Log into www.edgenuity.com/sis-login to access your courses.

- View your assignment calendar to determine what to work on.

- Focus and be on task in Edgenuity course work only.

- Listen to lectures using your headphones.

- Note the availability of closed captioning, written transcripts, and the translation feature.

- Answer all subjective questions thoroughly and in complete sentences.

- Ask your teacher or use the live chat feature for assistance on concepts that you don't understand.

- Remember to save and exit before you log off.
