English III Resources Course Overview

English III Resources is a Blended Learning Library that offers supplemental resources that may be used by teachers in conjunction with the subject of English Language Arts at the high school level. The Blending Learning Library is not meant to serve as an individual, stand-alone course. These resources serve as a library of additional material to supplement the respective course, should a teacher decide to use them.

The English III Resources library can be helpful for students who need additional practice with specific Language Arts concepts. Students have access to direct instruction videos and animations that focus on individual Language Arts concepts and skills. Each lesson has one media element to view, followed by five assessment items for students to test their understanding of the skill. The six units in the course include: Elements of Writing, Literary Devices, Characterization & Theme, Grammar, Punctuation, & Spelling, Writing and Reading Techniques, and Word Meaning. There are no quizzes, tests, or projects in this course.
