

Blackboard Collaborate is an awesome web-based meeting and collaboration tool that you can use to get live help from Odysseyware Academy virtual teachers.

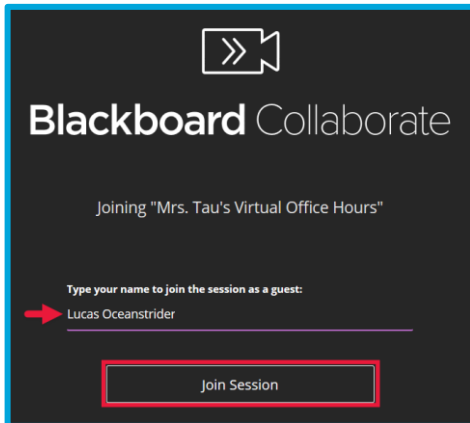

IMPORTANT

Browsers: Use Google Chrome or Mozilla Firefox to access Blackboard

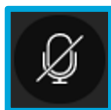

1. Click on **GRADEBOOK**.
2. Click on the teacher's URL.

3. Enter your FIRST and LAST name and click **JOIN SESSION**.

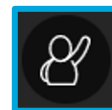

4. After joining the session, follow the prompts to allow microphone and camera permission.
5. Use the communication tools to connect with your teacher.

Mute/Unmute Audio

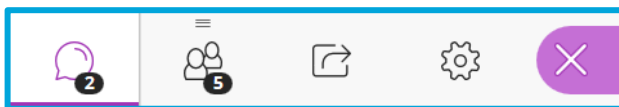

Share your webcam

Raise your hand

6. Click the purple button to start a chat with your teacher and even share your screen with them.

Your teacher can help you troubleshoot anything else once you're logged in.
