

Dear Parent or Guardian:

Our school has chosen to enhance your child's educational experience by using Edgenuity, a leading provider of online and blended learning solutions. To access Edgenuity from your home computer, please follow the instructions below.

WORKSTATION SETUP

Verify minimum software and hardware requirements are met. Click on the system requirements button on the login page or go to this link: <https://help.edgenuitypathblazer.com/hc/en-us/articles/360046781874>

STUDENT LOGIN

Go to: _____

*If your school did not provide a site above, please try <https://www.thelearningdyssey.com/>

Student's User Name: _____

Password: _____

School: _____

PARENT LOGIN

Please note: Parent login is optional, and this option may not have been set up at your student's school. If you would like to be able to log in to monitor your student's progress, please contact your student's teacher. Also, note that parents with multiple children in the same school will have a unique parent login for each child.

Go to: _____

Parents who would like to follow their child's progress can visit the Student Portfolio (backpack).

Parent's User Name: _____

Password: _____

School: _____

ADDITIONAL INFORMATION

- For assistance in setting up your account or resolving login issues, please contact your school technical personnel for additional help at _____
All user names and passwords are owned and managed exclusively by the school or district.

For system related information please visit our website for the most up-to-date information:
