

Scope and Sequence

The Digital Teacher

The Digital Teacher: Introduction

- The Art of Teaching Digitally: Series Overview
- The Digital Teacher: Introduction

Module 1 Digital Citizenship: What is it?

- Intro to Digital Citizenship: What is it?
- Vocab: Digital Citizenship - What is it?
- The Case for Digital Citizenship
- The Elements of Digital Citizenship

Module 2 Digital Citizenship: Teaching It

- Intro to Digital Citizenship: Teaching It
- Vocab: Digital Citizenship - Teaching It
- Digital Citizenship - Teaching it
- Edgenuity Digital Citizenship
- Practical Activities for Teaching Digital Citizens

Module 3 Digital Citizenship Review

- Let's Review: Digital Citizenship
- Quick Check: Digital Citizenship

Module 4 The Digital Teacher: Skills

- Intro to Digital Skills Every Teacher Should Have
- Vocab: Digital Skills Every Teacher Should Have
- Importance of Online Learning for Today's Students
- The Instructional Delivery Continuum
- Spotlight on Success: Management Strategies
- The Online Teacher

Module 5 The Digital Teacher: Classroom Management

- Intro to The Digital Teacher: Classroom Management
- Vocab: The Digital Teacher - Classroom Management
- Classroom Management: Online Learning Strategies
- Assessing Student Readiness for Online Learning
- Self-Assessment and Goal-Setting

Module 6 The Digital Teacher: Expectations

- Intro to the Digital Teacher: Expectations
- Vocab: Expectations and Time Management
- Aligning Student and Teacher Expectations
- Effective Orientations to Communicate Expectations
- Time Management and Timely Feedback

Module 7 The Digital Teacher Part 1 Review

- Let's Review: The Digital Teacher Part 1
- Quick Check: The Digital Teacher Part 1

Module 8 The Digital Teacher: Staying Up & Ahead

- Intro to The Digital Teacher: Staying on Top & Ahead
- Vocab: Staying on Top and Ahead
- Staying on Top: Teacher Certification
- Staying Ahead: Need for Professional Development

Module 9 The Digital Teacher: Tech Mastery

- Intro to The Digital Teacher: Tech Mastery
- Vocab: Tech Mastery
- Finding the Right Technology
- Spotlight on Success: Integrating Digital Elements
- Learn About the Tech You Use
- The Digital Teacher: Technology Buckets and Tools
- Edgenuity's Teacher-Led Solution - Broadcasting

Module 10 The Digital Teacher: Academic Integrity

- Intro to The Digital Teacher: Academic Integrity
- Vocab: Academic Integrity
- Defining Academic Integrity
- Edgenuity Academic Integrity
- Spotlight on Success: Getting Started with Academic Integrity
- Addressing Infractions of Academic Integrity
- Spotlight on Success: How to Address Academic Dishonesty

Module 11 The Digital Teacher Part 2 Review

- Let's Review: The Digital Teacher Part 2
- Quick Check: The Digital Teacher Part 2

Module 12 Project: Create Acceptable Use Policy

- Project: Create Acceptable Use Policy

The Digital Teacher: Conclusion

- Let's Review: The Digital Teacher Wrap-up
- The Digital Teacher Exam

Digital Instruction and Assessment Design

Digital Instruction: Introduction

- Digital Instruction: Introduction

Module 1 Instructional Design: Objectives

- Intro to Instructional Design: Objectives
- Vocab: Instruction Design - Objectives
- Seeking Clarity and Purpose in Learning
- Using Rubrics

Module 2 Instructional Design: Digital Elements

- Intro to Instructional Design: Digital Elements
- Vocab: Instruction Design - Digital Elements
- Digital Elements in Learning
- Where Do I Start?
- Content Vocabulary and Manipulatives
- Spotlight on Success: Resource Toolbox

Module 3 Instructional Design Review

- Let's Review: Instructional Design
- Quick Check: Instructional Design

Module 4 Data-Driven Instruction: Outcomes

- Intro to Data-Driven Instruction: Outcomes
- Vocab: Data-Driven Instruction - Outcomes
- Assessment, Analysis, and Action
- Exploring and Using Data

Module 5 Differentiated Instruction: Content

- Intro to Differentiated Instruction: Content
- Vocab: Differentiated Instruction - Content
- Differentiation Defined
- The Content
- Spotlight on Success: Teacher to Facilitator
- The Process
- The Product

Module 6 Differentiated Instruction: Needs

- Intro to Differentiated Instruction: Needs
- Vocab: Differentiated Instruction - Needs
- Accessibility and Awareness of Learning Needs

Module 7 Differentiated Instruction: Accommodate

- Intro to Differentiated Instruction: Accommodations
- Vocab: Differentiated Instruction - Accommodations
- Tools for Accommodations
- Making Accommodations in the Virtual Classroom
- Spotlight on Success: Supporting Students

Module 8 Differentiated Instruction Review

- Let's Review: Differentiated Instruction
- Quick Check: Data-Driven and Differentiation

Module 9 Assessments: Understanding

- Intro to Assessments: Understanding
- Vocab: Assessments - Understanding
- The Value of Student Assessment
- Formative Assessments in Online Learning
- Summative Assessments in Online Learning
- Authentic Assessments in Online Learning

Module 10 Assessments: Projects

- Intro to Assessments: Projects
- Vocab: Assessments - Projects
- Projects and Performance Tasks
- Increasing the Rigor and Relevance

Module 11 Assessments: Using Data to Differentiate

- Intro to Assessments: Using Data to Differentiate
- Vocab: Assessments - Using Data to Differentiate
- When the Data says, "Intervention!"
- Is it Working?

Module 12 Assessments Review

- Let's Review: Assessments
- Quick Check: Assessments

Module 13 Project: Develop a Program

- Project: Develop Individualized Program

Digital Instruction: Conclusion

- Let's Review: Digital Instruction Wrap-up
- Digital Instruction Exam

Engagement with Digital Elements

Student Engagement: Introduction

- Student Engagement: Introduction

Module 1 Student Engagement: Technology

- Intro to Student Engagement: Technology
- Vocab: Student Engagement - Technology
- Student Engagement
- Engaging with Students Through Technology

Module 2 Student Engagement: Collaboration

- Intro to Student Engagement: Collaboration
- Vocab: Student Engagement - Collaboration
- Asynchronous and Synchronous Collaboration
- The Social Classroom
- Spotlight on Success: Engaging from Day 1

Module 3 Student Engagement: Review

- Let's Review: Student Engagement
- Quick Check: Student Engagement Part 1

Module 4 Student Engagement: Communication

- Intro to Student Engagement: Communication
- Vocab: Student Engagement - Communication
- What it's Like to be an Online Learner
- Communication in Online Learning
- Keeping Track of Communication
- Spotlight on Success: Communication Management

Module 5 Student Engagement: Facilitating Communication

- Intro to Student Engagement: Facilitating Communication
- Vocab: Student Engagement - Facilitating Communication
- The Facilitator of Learning
- Focused Online Learning Events

Module 6 Student Engagement: Communication Review

- Let's Review: Student Engagement Communication
- Quick Check: Student Engagement Part 2

Module 7 Project: Incorporating Digital Elements

- Project: Digital Elements in Student Projects

Student Engagement: Conclusion

- Let's Review: Student Engagement Wrap-up
- Student Engagement Exam
