Easy Access to Professional Resources

Edgenuity is pleased to announce the release of the following professional resources.

Teach-Tech-Connect Community

Edgenuity’s Teach-Tech-Connect community is your complimentary, virtual Professional Learning Community. Educators like you are currently using it to connect with their peers, to share ideas and best practices, and to engage in a variety of discussions intended to help maximize your success.

All educators have access to join our community directly from your Home Page, as shown here:

The screenshot shows the Edgenuity user interface. At the top right, it says 'Welcome: Raquel Daniels' and 'SPRINGFIELD HIGH SCHOOL'. A navigation bar includes 'Students', 'Courses', 'Reports', 'Communication', 'Administration', and 'Support'. Below this is a 'Welcome to Edgenuity' section with 'Commonly selected actions' like 'Gradebook', 'Dashboard', 'Manage Students', 'Manage User Groups', 'View Course Structures', and 'View Calendar'. A notification states 'You have 1 review waiting to be completed.' The 'Professional Resources' section features the 'Educator Community' with a description: 'Engage with Other Educators. Hop over to our new Edgenuity educator community to learn tips, tricks, and best practices from educators throughout the US.' A blue 'Start Conversing' button is highlighted with a red box. Below this is a 'Manage Announcements' button. The 'Announcements' section shows a new complimentary webinar: 'What's New for Back-to-School 2021' posted on 2/22/2021.

Information!

- If you haven't yet created an account for the Teach-Tech-Connect community, you can create one after clicking the Start Conversing button.
- A member of the Edgenuity staff will approve your account within 24 working hours.

Release Notes: Professional Resources

KnowEdge Academy

Now available for purchase is a new professional learning offering designed for educators, the KnowEdge Academy. Schools who have purchased KnowEdge Academy licenses will now be able to launch their asynchronous courses directly from the Edgenuity Home Page. Click the **Start Learning** button to access courses available to you!

The screenshot shows the Edgenuity user interface. At the top left is the Edgenuity logo. To the right, it says 'Welcome: Raquel Daniels' and 'SPRINGFIELD HIGH SCHOOL'. Below this is a navigation bar with buttons for 'Students', 'Courses', 'Reports', 'Communication', 'Administration', and 'Support'. The main content area is titled 'Welcome to Edgenuity' and lists 'Commonly selected actions' such as 'Gradebook', 'Dashboard', 'Manage Students', 'Manage User Groups', 'View Course Structures', and 'View Calendar'. A notification states 'You have 1 review waiting to be completed.' Below this is a 'Professional Resources' section with two items: 'Educator Community' with a 'Start Conversing' button, and 'Getting Started for Educators' with a 'Start Learning' button highlighted by a red box.

Information!

- KnowEdge Academy is only available to schools that have purchased licenses. If you would like more information about purchasing KnowEdge Academy, please reach out to your Edgenuity Account Executive.
