## Release Overview

We are pleased to announce new features and enhanced functionality to our newly available [Plagiarism Checker](#) within Edgenuity’s Courseware:

- The plagiarism checker now shows all scans in the individual student Gradebook.
- The plagiarism checker has enhanced reporting:
  - Scans with less than 15% similarity will show as green.
  - Scans with more than 15% similarity will show as red.
- Educators can download the associated plagiarism report.
- All Final Essays and Timed Essays continue to be scanned automatically.
- Short Writing and Journal activities can now be manually scanned.
- Scans that are currently in progress show an icon to reflect the pending status.
- Educators can now see the same plagiarism results for essays, short writings, and journals when navigating from the teacher-grading alert on the Dashboard.

## Highlights

Educators can now manually scan short writing assignments and journal activities in from the student’s gradebook.
